Re: Motatapu Event Temporary Road Closure Application 2025

Please find attached the application for Temporary Road Closures for the 2025 Motatapu event. The 2025 event is set for Saturday 1 March and the following events will be offered;

- 47km Mountain Bike
- 52km Ultra Run
- 42km Trail Marathon
- 15km Miners Trail
- 4km Junior Trail Run

We are expecting approximately 3,500 athletes across the five events on offer.

There are pre and post event transport options offered to participants and the Marathon event includes a free shuttle from Wanaka to the Race Start.

Parking at the Glendhu Bay start line is available at Glendhu Station. This is a large paddock which has never reached capacity. Parking is managed by Southern Safety with support from volunteers. Parking in Arrowtown is located in several locations as per the map supplied. This is managed by a local group as a fundraiser. Both maps of these areas are included with the application.

For Macetown Road we will have crew/volunteer advising campers in the Macetown area that vehicle departure needs to be done prior to the closure.

DoC Macetown concessioners will be notified via email (completed by DoC) of the temporary closure and local residents will also be notified via a letter drop. Example of this notification are included with the application.

Temporary notification signage will be installed at the entrances to the closures at least one week prior to the closures being in place.

Rubbish & recycling bins be located throughout the event areas.

A temporary traffic management plan will be completed and executed by Southern Safety.

A portion of every entry fee is donated to the Queenstown Trails Trust as our charity of choice for the event, over \$66,000 has been raised for the Trust over the last few years.

If you require any further information please do not hesitate to contact me.

Kind Regards

START LINE: GLENDHU BAY, LAKE WĀNAKA

Motatapu Event 2025

Dear Business Operator/Resident,

The iconic Motatapu event returns in 2025 on 1st March with five fantastic races, the 47km Mondraker Mountain Bike, 15km UDC Finance Miners Trail, 42km Trail Marathon, 52km Ultra Run, and 4km Jennian Homes Junior Trail Run.

Held on one epic day, it is the only chance each year for athletes to experience the breath-taking high-country terrain and traverse the Motatapu, Soho and Glencoe Stations between Wānaka and Arrowtown.
