

Item 1: Draft 2025-2028 Climate & Biodiversity Plan Update

SESSION TYPE: Workshop

PURPOSE/DESIRED OUTCOME:

This workshop will provide an overview of the draft structure and key content of the proposed Queenstown Lakes 2025-2028 Climate & Biodiversity Plan. Councillor discussion and input will help refine the approach before finalising the plan for broader public engagement.

Key Discussion Points:

1. Plan Structure – Overview of development process, proposed plan structure, new priority areas, key overarching themes and design layout recommendations.
2. Proposed Actions – Overview of proposed actions with focus on those that are specific to Councils commitment to ambitious leadership.
3. Councillor Feedback – Opportunity for discussion on strategic focus, feasibility, and alignment with other Council priorities.

The Chair of the Climate Reference Group will be in attendance to support the discussion.
