Queenstown Bay	Access lane starts north east end of Queenstown Bay, outer boundary marked by two yellow buoys with beacons on top, green south side, red north side, GPS references (see Map 1 – Queenstown Bay). These buoys define the lanes out of Queenstown Bay. The green beacon at the entrance to Queenstown Bay is the southern most boundary of the Access Lane (refer map 1).

The south side of the lane is marked by 3 navigational buoys between points starting 50 metres off shore from the North West end of the Kelvin Peninsula and continues to a point 100 metres off shore between the Yacht Club jetties and at no point will the south side of the access lane be nearer than 50 metres from the shore. From the Eastern point, further buoys will be set approximately 120 metres off shore around to a point off the Earnslaw slipway. The north side of the lane is marked 50 metres off shore opposite the Frankton Walking Track, extending to a point 200 metres West along Park Street into the main body of Lake Whakatipu, with the outer boundary of the Narrows being the red beacon on the southern most tip of Queenstown Gardens (refer Map 2).
